

THE SECRETARY OF VETERANS AFFAIRS
WASHINGTON

The Honorable Charles Grassley
Ranking Member
Committee on the Judiciary
United States Senate
Washington, DC 20510

Dear Senator Grassley:

This is a follow-up to the April 6, 2021, Department of Veterans Affairs (VA) interim response to your April 2, 2021, letter about conflicts and ethical issues among senior officials at the Veterans Benefits Administration (VBA). I appreciate this opportunity to respond.

As stated in the interim response, VA takes this matter very seriously. The free flow of information, especially information that identifies malfeasance, underperformance or abuse is critical to strong agency performance and since arriving at VA, I have taken several opportunities to communicate that to all employees and underscore it to our accountability partners at VA. One such partner is the VA Office of Accountability and Whistleblower Protection (OAWP), which is charged to, among other responsibilities, investigate allegations of VA senior leader misconduct and poor performance.

In this case, not only is this matter the subject of an active investigation by OAWP, it is also being investigated by the VA Office of Inspector General. As for the specific questions raised in your letter, enclosed are enumerated responses to each question, and attached thereto are copies of the documents you requested that are releasable to you under the Freedom of Information Act (FOIA)

Although the President's nominee for head of OAWP will have her hearing later this month, and we eagerly await her confirmation, I want to assure you that if there has been any misconduct by a VA senior official, OAWP and OIG will identify it and, if warranted, the VA senior official will be held appropriately accountable.

In closing, thank you for your patience with the length of time it has taken to respond, and I trust this information is helpful to you.

Sincerely,

Denis McDonough

Enclosure
